

# MEET THE OWNER

Hi, I'm Quantivia Lopez, the proud owner of O Heaven Family Childcare and Preschool! I'm a mother of four beautiful girls and have loved caring for children since I was just 12 years old.

Family is everything to me—I've been happily married for over 11 years, and I cherish every moment spent bringing loved ones together for fun activities and making memories.

When I'm not caring for little ones, you'll find me traveling, laughing, and sharing jokes—I believe joy and connection are the heart of life. My passion for nurturing children and creating a safe, loving environment is what inspired me to open O Heaven Family Childcare and Preschool.

Thank you for trusting us with your child's early learning journey. Here, every child is family!
